MASON COUNTY, WASHINGTON

RESOLUTION NO. 21-10

A RESOLUTION of the Board of Directors of Shelton School District No. 309, Mason County, Washington, increasing fund appropriations; adopting an extension of the 2020-21 budget; and providing for related matters.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF SHELTON SCHOOL DISTRICT NO. 309, MASON COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Shelton School District No. 309, Mason County, Washington (the "District"), takes note of the following facts and makes the following findings and determinations:

(a) RCW 28A.505.170(2) authorizes each first class school district to increase the amount of the appropriations in the school district's budget for necessary expenditures if, before incurring expenditures in excess of the appropriations, the school district board of directors adopts a resolution stating the facts and the estimated amount of appropriations to meet those expenditures.

(b) On August 25, 2020, the Board adopted Resolution No. 20-07, fixing and determining the appropriations from each District fund and adopting the 2020-21 budget (the "2020-21 Budget").

(c) As a result of increased CTE enrollment and the availability of additional federal funds, it has become necessary to increase the amount of the appropriations in the General Fund of the 2020-21 Budget for the remaining months of operation in the 2020-21 fiscal year to provide for those excess expenditures. Accordingly, it is in the best interests of the District to extend the 2020-21 Budget to increase fund appropriations in the following estimated amounts and from the following sources (which sources are sufficient to provide for the increased appropriations):

(1) General Fund – \$1,468,237, from additional apportionment in the General Fund generated from increased enrollment and additional federal funding.

(d) As provided by RCW 28A.505.170, the Board provided due notice of and has conducted a public hearing for the purpose of adopting a budget extension for the 2020-21 Budget and increasing the fund appropriations as provided herein.

Section 2. General Fund Budget Extension. The Board adopts an extension of the 2020-21 Budget for the remaining months of operation in the 2020-21 fiscal year, in the following appropriation amounts:

(1) General Fund – \$1,468,237

The amounts of the appropriation increases are more fully described in the District's F-200, which is attached as Exhibit A and incorporated by this reference. Additionally, a copy of the District's latest budget status report (Form F-198) for the 2020-21 Budget is attached as Exhibit B and incorporated by this reference.

Section 3. General Authorization and Ratification of Prior Acts. The Secretary to the Board, the President of the Board, the District's Assistant Superintendent of Finance & Operations and other appropriate officers of the District are authorized and directed to take any action and to execute any document as in their judgment may be necessary or desirable to effectuate the provisions of this resolution. All actions taken prior to the effective date of this resolution in furtherance of and not inconsistent with the provisions of this resolution are ratified and confirmed in all respects.

Section 4. Effective Date. This resolution takes effect from and after its adoption.

ADOPTED by the Board of Directors of Shelton School District No. 309, Mason County, Washington, at a regular open public meeting, held this 27th day of July, 2021, the following Directors being present and voting in favor of the resolution.
