INITIATIVE

Student Pathways to Success

Every student has a post-secondary plan and preparation to be successful after graduation.

WHY THIS IS IMPORTANT

Every student is prepared academically and financially for any post-secondary plan they create.

High school experiences will prepare every student for the widest range of opportunities. Preparation includes academic rigor, opportunities for college credit, industry skills and credentials, and experiences with our community partners.

ACTIONS/WHAT WE ARE DOING

Students will have multiple opportunities for career exploration, course pathways, and college prep courses.

Secondary schools will review and implement students' High School and Beyond Plans.

MEASURE OF SUCCESS
