

The Shelton School District creates opportunities for young people to discover, research, and launch their own best futures.

PRIORITY

SAFE AND WELCOMING ENVIRONMENTS

INITIATIVE

Culturally and Linguistically Welcoming Environments - *Our learning environments will be safe, supportive, and inclusive of our community.*

WHY THIS IS IMPORTANT

Students will see themselves reflected in the curriculum and will feel supported and valued, which will lead to increased engagement.
 Staff will be representative of our student demographics.
 Classrooms will be physically and culturally welcoming.
 When our students and families feel valued, they are more likely to engage in all aspects of student learning.
 Schools will be more accessible to families and community members.

ACTIONS/WHAT WE ARE DOING

Families will help identify barriers to involvement and staff will work to fix them.
Students will have opportunities to safely share their experiences and perspectives.
Programs and policies will reflect and respect the diversity of our community.
All schools will have an atmosphere that is family-friendly and reflective of our community.

MEASURE OF SUCCESS

Decrease in discipline rates
Increase in student attendance rates
